Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Helping to coordinate day-to-day operations within the quality control department
- Carrying out internal operational checks and monitoring the implementation of defined measures
- Co-ordinating environmental analyses and providing support with risk assessments and sensory tests of raw materials and semi-finished products
- Optimising and maintaining the test plan framework
- Contributing to complaints management, including root cause analysis and documentation
- Co-ordinating and supervising external service providers
- Preparing and maintaining quality-related documents and reports
- Handling technical enquiries from customers

We can only consider applicants who are authorised to work in Switzerland (EU/EFTA). We only consider direct applications.

What you bring with you

- A degree in food technology or an equivalent qualification
- Experience in the food industry (quality control)
- Strong communication and organisational skills.
- A team-oriented approach, combined with a high degree of initiative and the ability to get things done
- Proficiency in MS Office; practical knowledge of SAP QM would be an advantage
- Languages: German, English
- Enjoyment of a varied role

What we offer

Work-life balance
We offer a 40-hour workweek and at least 25 days of annual leave.

Catering
Catering is very important to us, and the freshly prepared food served in our staff canteen is evidence of this for our employees.

Mobility
Benefit from convenient public transport connections and ample parking facilities – for sustainable and carefree travelling.

Professional development opportunities
Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities such as mentoring and coaching.
