

Apprenticeship as a Food Technologist (EFZ) 2027, specialising in convenience foods

Your future? It's on track with us! Bell is one of Switzerland's leading food brands. At our site, we process poultry. During your apprenticeship in Zell LU, you'll not only learn how our chicken nuggets are manufactured, but also how the processes in the Convenience department work. If you choose to train as a food technologist (EFZ) with us, you'll be making a great choice. With our support, you'll take your first steps into working life and become part of the Bell apprentice community.

Bell Schweiz AG

Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- You process raw materials according to specified recipes and refine them
- You operate and monitor the processing and packaging equipment
- You check the quality of the products, take samples and analyse them in the laboratory
- During the production process, you check the foodstuffs for quality, appearance, smell, taste and Packing

What you bring with you

- Completed primary school, lower and upper secondary levels
- An interest in biology, chemistry and physics
- Enjoyment of working with food and modern production facilities
- A keen sense of smell and taste, as well as a meticulous approach to work
- Willingness to start work early (around 5.00 am)

What we offer

Work-life balance
We offer 35 vacation days so that you have enough time to recover and are then fit for work and school again.

Catering
Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility
Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities
We cover the costs of tuition fees and study materials, and contribute CHF 700 towards a laptop of your choice. We also offer you exciting prospects for continued employment in an international environment once you have completed your studies.
