

# Trainee for the Production department

Over the course of 12 months, you will regularly rotate through various departments and processes in which you can work and contribute your specialist knowledge. You will explore Bell Switzerland Ltd. and we will get to know your strengths and potential. Ideally, you will discover two or eight Bell locations in Switzerland on this road trip. If you want to take advantage of this opportunity and make a difference as a future manager, Bell Switzerland Ltd is the right place for you.

## Apply online

You can find all the details online as well as the opportunity to apply directly.

## Your tasks

- Your goal is to take on a management position in our company after the trainee program. You have a hands-on mentality, have a good grasp of things and always find one more solution. You also enjoy meat as a foodstuff and its processing.

## What you bring with you

- You have preferably completed your basic training as a butcher, food technologist or chef. After completing a higher professional examination, master craftsman or a degree in food technology, you are eager to put the knowledge you have acquired into practice.

## What we offer

### Work-life balance

With us you benefit from at least 25 vacation days. We use an electronic time capture system so that you can reward your overtime with additional days off.

### Catering

Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

### Mobility

Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

### Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
