You can find all the details online as well as the opportunity to apply directly.

Your tasks

- During your highly practical training, you will learn how to properly debone and trim individual cuts of beef, veal and pork. You will cut the meat to size according to orders, perform packing and store it. Alternatively, you will process it into charcuterie products. In addition, you will set up the machines and configure the programmes. Finally, you will support your team in a range of other production processes.
- As a Meat Specialist Assistant (EBA) specialising in poultry in Zell, Lucerne, you will learn about the entire poultry processing process.
- Once you have successfully completed your training, you can go on to complete an accelerated basic training programme to become a Meat Specialist EFZ.

What you bring with you

- Completion of compulsory schooling, meeting the basic requirements
- A keen interest in working with food and a meticulous approach to work
- Physical fitness and manual dexterity

What we offer

Work-life balance
We offer 35 vacation days so that you have enough time to recover and are then fit for work and school again.

Catering
Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility
Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities
We cover the costs of tuition fees and study materials, and contribute CHF 700 towards a laptop of your choice. We also offer you exciting prospects for continued employment in an international environment once you have completed your studies.
