

Automation technician (new building Oensingen)

We are looking for you at our new location in Oensingen. In this newly created role, you will ensure the availability of the production facilities in the Operational Technology and Automation department. You will support us in setting up the new plants and help shape automation right from the start.

Bell Schweiz AG
Südringstrasse 14
4702 Oensingen

Contract type	Permanent
Workload	100%
Start of employment	as of now
Language	German
Working time model	Day shift

Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Planning and implementation of new smart factory functions
- Securing automation systems in production, logistics and infrastructure
- Support for server systems (HMI, SCADA, PLS, MES, WMS)
- Implementation of automation projects
- Support for commissioning and production support
- Development of solutions with technology, IT and suppliers

What you bring with you

- Training in automation or comparable qualification
- Experience in programming and commissioning of PLC and visualization systems (Siemens S7 TIA Portal, WinCC, CODESYS, fieldbus systems)
- In-depth knowledge of IT systems (Windows Client, Server, networks) and automation communication
- Ideally experience with MES or WMS systems
- Willingness to work shifted hours and on-call duties
- Very good knowledge of German and English

What we offer

Work-life balance

With us you benefit from at least 25 vacation days. We use an electronic time capture system so that you can reward your overtime with additional days off.

Catering

Culinary delights are very important to us: freshly prepared food in our staff restaurant, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices await you in our outlet.

Mobility

Benefit from our contribution to environmentally friendly mobility, convenient public transport connections and a free SBB GA travelcard!

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
