

Warehouse Logistics Specialist (m/f/d)

Do you want to do more than just carry out tasks – do you want to contribute ideas, help shape the business and get stuck in? Then you've come to the right place. Whether it's goods reception, stock placement or IT data entry, you'll ensure everything is in the right place at the right time. You'll keep Production running smoothly, keep an eye on stock levels and get more done than meets the eye. You'll bring team spirit, attention to detail and a sense of responsibility to the role; you're familiar with MS Office, and a forklift licence is a plus. What matters to us is what you bring to the table, and you'll feel that every day. Apply now and become part of a team that really works together.
