### Your tasks

- Contributing to the implementation of projects and measures set out in the sustainability strategy of Bell Food Group
- Contributing to the implementation of supply chain legislation
- Contributing to the introduction of an EUDR tool and developing a framework for compliance with the EU Forced Labour Regulation
- Developing data collection frameworks for the ESRS targets and implementing them within the Bell Food Group
- Validation and reporting of sustainability indicators
- Contributing to and independently managing internal sustainability communications
- Supporting the team with various administrative tasks

### What you bring with you

- A completed or ongoing degree in a science-related subject
- Very good written and spoken German
- A keen interest in Sustainability, environmental protection and social responsibility
- Analytical skills and a structured approach to work, as well as commitment and team spirit

## What we offer

### Work-life balance

A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

### Catering

Culinary delights are very important to us: freshly prepared food in our staff restaurant, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices await you in our outlet.

### Mobility

Benefit from our contribution to environmentally friendly mobility, convenient public transport connections and a free SBB GA travelcard!

### Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
