

Employee Operational Technology

Do you have an affinity for technology and feel at home at the interface between IT and Production? As an Operational Technology employee at our headquarters in Basel, you will ensure the smooth operation of our labelling, printing and conveyor technology. If you like to get stuck in, manage IT systems and work with various interfaces, we look forward to hearing from you!

What we offer

Work-life balance

A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

Catering

Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility

Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
