

Project Manager Technology with Deputy Team Leader

Are you a strong leader with technical know-how? Then the position of Project Manager Technology & Deputy Team Leader could be the next step in your career! You will be responsible for managing new construction and conversion projects, primarily for our charcuterie operations in German-speaking Switzerland and the Hagenau site. Together with our project managers, the technical departments on site and the operations, you will drive projects forward while always keeping an eye on business, safety and environmental aspects. Sounds like your next challenge? Then we look forward to receiving your application!
