Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- In industrial food production, IT is very important. ICT specialists work in a service-oriented manner and ensure that all employees have a modern, functioning IT infrastructure.
- You procure and install PCs, notebooks, printers and many other devices.
- You carry out configurations and integrate the devices into the network.
- You support and train users.
- In the event of problems, you will work independently or as part of a team to find suitable solutions so that the affected ICT equipment can be used again as quickly as possible.
- ICT specialists are sought-after all-rounders who are indispensable in any modern IT department - so you will have excellent opportunities on the job market after your apprenticeship.

What you bring with you

- Completed elementary school, middle or high school
- Integrated thinking and technical skills
- Good math and language skills (especially English)

What we offer

Work-life balance

We offer 35 vacation days so that you have enough time to recover and are then fit for work and school again.

Catering

Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility

Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities

We cover the costs of your vocational school materials and contribute CHF 700 towards a notebook of your choice. We also support the vocational baccalaureate for apprenticeships with a federal certificate and offer you exciting opportunities for further employment in an international environment once you have completed your apprenticeship.
