Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Plan and carry out preventive and corrective maintenance on the plant's crate washing and transport system
- Maintain and overhaul wheeled equipment (pallet trucks, smoking and cooking carts, wheeled bins, etc.)
- Overhaul and maintain Multivac hot plates
- Carry out general mechanical maintenance in the workshop
- Carry out various tasks assigned by line management

What you bring with you

- CFC in electrical engineering or equivalent qualification
- Solid mechanical and electrical skills
- Good knowledge of machining
- Experience in automation
- Proven experience in industrial maintenance, ideally in the food industry
- Flexible and autonomous, able to work alone or as part of a team
- Attention to detail and rigour in the execution of tasks
- Perfect command of French; good knowledge of German would be an asset
- Mobility: living less than 45 minutes from the Cheseaux site

What we offer

Work-life balance

A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

Catering

Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility

Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
