Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- get to know our network architecture
- Differentiate between operating systems and their areas of application
- Apply programming logic and methods
- inform and advise internal customers and document application solutions in line with customer requirements
- Fitting hardware and software components into existing systems and putting them into operation
- Set up user interfaces and user dialogues
- gain an overview of the entire company
- Training starts on 1 September 2026
- organised course of training through a structured training plan across all relevant departments
- the responsible vocational school is the Zeppelin vocational school in Constance
- the apprenticeship lasts 3 years

What you bring with you

- At the start of your apprenticeship, you have a good secondary school leaving certificate or university entrance qualification with good grades in the core subjects
- You are interested in everything to do with hardware and software and have technical and analytical thinking skills and ideally some previous knowledge
- You have good language skills in English
- You have a very good command of German - at least C1
- You are goal-orientated, systematic and precise
- You have a high level of commitment, reliability and independence
- You are characterised by your ability to work in a team, sense of responsibility and diligence

What we offer

Work-life balance

More than 30 days off per year and flexible working hours on a 4.5 day week mean you can start the weekend early.

Mobility

Thanks to our travel allowance, good public transport connections and plenty of parking spaces for cars and bicycles, our employees can travel easily.

Professional development opportunities

The highlight is the period spent working abroad, and you can also expect regular meetings with short training sessions, independent projects and a job guarantee (at least six months).

Health

All employees have the opportunity to take advantage of sports, leisure and wellness programmes throughout Germany with HANSEFIT.
