## Apply online

You can find all the details online as well as the opportunity to apply directly.

## Your tasks

- organise the Purchasing of raw materials and packaging materials with our Procurement department
- get to know our sales divisions, including their marketing departments
- Spend time in our administrative departments of Finance and Accounting and Human Resources
- go through the various areas of our Group-wide IT organisation
- support our Development and Quality Assurance Departments
- work in our order planning, production and logistics departments and accompany our production processes
- Training starts on 1 September 2026
- organised training process with a structured training plan across all relevant departments
- the vocational school responsible is the Stockach Vocational School Centre
- the apprenticeship lasts 3 years

## What you bring with you

- At the start of your apprenticeship, you have completed a technical college entrance qualification or A-levels with good grades in the core subjects
- You are interested in business management topics
- You have good language skills in English, French or Spanish
- You have a high level of commitment, reliability and independence
- You are characterised by your ability to work in a team and diligence

## What we offer

### Work-life balance

More than 30 days off per year and flexible working hours on a 4.5 day week mean you can start the weekend early.

### Mobility

Thanks to our travel allowance, good public transport connections and plenty of parking spaces for cars and bicycles, our employees can travel easily.

### Professional development opportunities

The highlight is the period spent working abroad, and you can also expect regular meetings with short training sessions, independent projects and a job guarantee (at least six months).

### Health

All employees have the opportunity to take advantage of sports, leisure and wellness programmes throughout Germany with HANSEFIT.
