

Industrial Electrician (New Development in Oensingen)

Are you responsible and do you enjoy taking on new challenges? If so, we are looking for you to join us as an industrial electrician at our new site in Oensingen. In this role, you will ensure the operational readiness of our state-of-the-art production facilities and help shape a new plant from the ground up. In doing so, you will make a decisive contribution to the success of our site.

Bell Schweiz AG
Südringstrasse 14
4702 Oensingen

Contract type	Permanent
Workload	100%
Start of employment	as of now
Language	German
Working time model	3-shift operation

Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Maintenance, servicing and troubleshooting of electrical infrastructure and production and logistics facilities
- Ongoing optimisation of machinery and plant
- Reduction of downtime and stoppages
- Joint responsibility for documentation relating to machinery and plant within the department
- Documentation and management of orders and feedback using our maintenance programme

What you bring with you

- Completed basic training as an electrician or electrical fitter, or similar
- Connection permit (NIV Art. 13) would be an advantage
- Experience with Siemens PLCs, with a focus on fault analysis
- Flexibility regarding irregular working hours (3-shift work and on-call duties)
- Good written and spoken German

What we offer

Work-life balance
A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

Catering
Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility
Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities
Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
