Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Ensuring the technical availability and function of various systems (refrigeration, ventilation and air conditioning systems, air conditioning units, air compressors, fire alarm systems, pyrogases, technical gases, vacuum systems) through maintenance, Maintenance and continuous optimization
- Responsibility for the smooth operation of the wastewater system
- Support with HVACs installations
- Coordination and communication with external specialist departments and service providers
- Management and organization of the spare parts inventory

What you bring with you

- Completed training as a plumbing, heating, refrigeration or ventilation fitter
- Experience in the field of HVACs
- Flexible commitment, also outside regular working hours
- Willingness to work regular on-call duty
- Very good written and spoken German

What we offer

Work-life balance

With us you benefit from at least 25 vacation days. We use an electronic time capture system so that you can reward your overtime with additional days off.

Catering

Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility

Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
