Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Planning and implementation of production projects in close coordination with internal interfaces (technology, QA, development, industrialization, etc.)
- Definition and implementation of new processes and systems
- Coordination and support of trials, Initial production and commissioning
- Ensuring that target performance is achieved quickly and deriving optimization measures
- Analyzing deviations and initiating improvement measures
- Documenting production standards and test series
- Coordinating training for new processes and systems
- Representing production in cross-departmental project teams

What you bring with you

- Completed education in food technology, cosmetics, pharma, biotech or similar (HF, BSc or comparable)
- Experience in industrial food production, cosmetics, pharma, biotech or similar, ideally in the convenience sector
- In-depth knowledge of process definition, project management and lean methods
- Understanding of quality concepts (food safety, HACCP)
- IT affinity (MS Office, ERP, MES)
- Ability for interdisciplinary collaboration and communication
- Willingness to occasionally work flexible hours (off-peak times, weekends)

What we offer

Work-life balance

We offer 5,5 to 6 weeks' holiday, flexible working hours and predictable assignments (at least three weeks' advance notice). We also offer you the opportunity to buy additional holidays or work part-time. There are no company holidays – you plan your holiday individually with your line manager and team.

Catering

Catering is very important to us: enjoy discounts on your lunch in our break rooms, free fruit and promotions such as free chestnuts, ice cream or smoothies. High-quality products at greatly reduced prices are available in our outlet.

Mobility

Benefit from ideal public transport connections (bus stop in front of Hilcona), attractive ticket subsidies, ample parking for cars, e-bikes and scooters as well as a tool station for bicycle repairs – for sustainable and carefree travelling.

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
