

Intern Quality Assurance

Start your career with purpose - with us in Quality Assurance! In our Quality Assurance team, you can expect more than just a practical insight: you will become part of a corporate culture based on trust, development and genuine enthusiasm for quality. Use your knowledge of food science and microbiology to actively contribute to product safety - and grow professionally and personally in the process. Start your internship from March 2026 or by arrangement - for at least 6 and up to 12 months full of exciting experiences, responsibility and team spirit.

Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- You will actively work in our microbiology and chemistry laboratory as well as in raw materials control and gain in-depth insights into food quality assurance.
- You will take on a variety of tasks in quality assurance that will help you to develop your skills and learn in a practical way.

What you bring with you

- Successfully completed at least 4 semesters of study in the fields of food technology, food science, food chemistry or food microbiology
- High quality awareness and analytical thinking
- Very good written and spoken German and good English skills
- Team-oriented and proactive way of working

What we offer

Work-life balance

We offer 5,5 to 6 weeks' holiday, flexible working hours and predictable assignments (at least three weeks' advance notice). We also offer you the opportunity to buy additional holidays or work part-time. There are no company holidays – you plan your holiday individually with your line manager and team.

Catering

Catering is very important to us: enjoy discounts on your lunch in our break rooms, free fruit and promotions such as free chestnuts, ice cream or smoothies. High-quality products at greatly reduced prices are available in our outlet.

Mobility

Benefit from ideal public transport connections (bus stop in front of Hilcona), attractive ticket subsidies, ample parking for cars, e-bikes and scooters as well as a tool station for bicycle repairs – for sustainable and carefree travelling.

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
