Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- The focal points of computer science and business administration combine perfectly - you will help to drive digitalization forward, e.g. you will develop new concepts for the digital workplace.
- You will analyse data - from big data to business intelligence.
- You will optimize business processes: from management to production.
- Teaching alternates. This means 3 months of theoretical training at the DHBW Lörrach and 3 months of practical training directly with us.
- With this degree and the Bachelor of Science, you will qualify for a responsible job in all sectors of the economy up to a management position.

What you bring with you

- Matura/Abitur or general higher education entrance qualification or entrance qualification for universities of applied sciences with aptitude test at DHBW Lörrach
- Ability for abstraction as well as analytical and logical thinking
- Concentration and careful working methods

What we offer

Work-life balance

With us you benefit from at least 25 vacation days. We use an electronic time capture system so that you can reward your overtime with additional days off.

Catering

Culinary delights are very important to us: freshly prepared food in our staff restaurant, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices await you in our outlet.

Mobility

Benefit from our contribution to environmentally friendly mobility, convenient public transport connections and a free SBB GA travelcard!

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
