

ICT System Engineer

You don't just want to keep systems running, you want to actively help shape, optimize and take responsibility? Then you've come to the right place. We are a dedicated team with a passion for technology and reliable IT services. Together, we ensure that our infrastructure is stable, secure and future-proof. That's why we're looking for you - a technically skilled, motivated person who likes to work independently but also appreciates teamwork.

Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Operation, Maintenance and further development of our IT infrastructure
- Administration and maintenance of our VMware and backup environment (Veeam)
- Administration and operation of the Microsoft server landscape
- Support of the Active Directory and the associated services
- Operation and monitoring of Azure VMs and administration of Microsoft 365 services
- Support of first level support for complex technical issues
- Analysis and troubleshooting - proactively and at a glance
- Services
- Supporting first level support with complex technical issues
- Analyzing and resolving malfunctions - proactively and with an eye on the big picture
- Documenting systems, Processes and changes
- Taking on sub-project management and coordinating external service providers
- Participating in the on-call service (approx. 2-3x per year)

We can only consider applicants who are authorised to work in Switzerland (EU/EFTA). We only consider direct applications.

What you bring with you

- Completed IT training (e.g. Computer scientist EFZ / IT specialist)
- Good knowledge of VMware, Microsoft Server, Active Directory, M365 and Azure
- Experience with backup solutions (ideally Veeam)
- PowerShell know-how and/or Microsoft certifications an advantage
- Structured, solution-oriented and service-oriented way of working
- Enjoyment of teamwork and willingness to work on call (approx. 2-3 times per year)

What we offer

Work-life balance

With us you benefit from at least 25 vacation days. We use an electronic time capture system so that you can reward your overtime with additional days off.

Catering

Culinary delights are very important to us: freshly prepared food in our staff restaurant, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices await you in our outlet.

Mobility

Benefit from our contribution to environmentally friendly mobility, convenient public transport connections and a free SBB GA travelcard!

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
