

Infrastructure & Maintenance Staff Member (New Oensingen Building)

In this varied role, you will work alongside the team to ensure the smooth running and maintenance of the entire building infrastructure at the new development in Oensingen. In doing so, you will ensure that systems, facilities and outdoor areas are well-maintained, in good working order and ready for use at all times.

Bell Schweiz AG
Südringstrasse 14
4702 Oensingen

Contract type	Permanent
Workload	100%

Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Carrying out regular inspections, maintenance and upkeep work on the building's infrastructure
- Carrying out minor repairs and rectifying faults in technical systems and equipment independently
- Proactively identifying defects and taking appropriate maintenance measures
- Coordinating and supervising external service providers and tradespeople
- Assisting with the operation and monitoring of HVAC systems and their control via the building management system
- Managing spare parts and assisting with waste management at the Südring site

What you bring with you

- Completed vocational apprenticeship in a trade
- Several years' experience in maintenance or a similar role
- Good written and spoken German
- Knowledge of building management systems would be an advantage
- Willingness to be on call and to respond flexibly to unforeseen situations

What we offer

Work-life balance
A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

Catering
Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility
Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities
Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
