- Maintenance and management of subject-specific base data
- Creation and further development of reports, analyses and key performance indicators
- Carrying out analyses and evaluations in cost-related areas
- Independent processing of assigned work packages

What you bring with you

- Completed commercial training with a strong aptitude for numbers
- Experience in the food industry would be an advantage
- Very good knowledge of Excel; knowledge of SAP would be an advantage
- Expertise in costing and data analysis gained from a similar role
- Solution-oriented thinking and a responsible approach to work
- An independent, team-oriented and proactive personality

What we offer

Work-life balance

A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

Catering

Culinary delights are very important to us: freshly prepared food in our staff restaurant, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices await you in our outlet.

Mobility

Benefit from our contribution to environmentally friendly mobility, convenient public transport connections and a free SBB GA travelcard!

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
