Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Ensuring the smooth operation of our production and operating facilities in the slaughterhouse
- Fault analysis and rectification to minimise downtime and stoppages
- Maintenance, servicing and continuous optimisation of machinery and equipment
- Maintaining and implementing the maintenance programme including clean documentation on machines and systems
- Active participation in projects for the Procurement of new systems and machines as well as installations, conversions and other technical projects
- Management of spare parts incl. requirements planning and reordering
- Coordination and co-operation with external specialist departments and service providers

We can only consider applicants who are authorized to work in Switzerland (EU/EFTA).

What you bring with you

- - Completed basic technical training in mechanics, automation, electrics or a comparable field
- - Initial professional experience in maintenance is an advantage
- - Independent and solution-orientated way of working with a strong ability to work in a team
- - Ability to work under pressure and keep a cool head even in challenging situations
- - No sensitivity to blood and strong odours
- - Willingness to work irregular shifts (2-shift operation and on-call duty)
- - Good knowledge of MS Office programmes
- - Good written and spoken German

What we offer

Work-life balance

A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

Catering

Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility

Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
