

Vocational trainer in logistics

Give your career new impetus! Do you have a connection with young people and a passion for logistics? Would you like to take on responsibility, pass on your expertise and accompany young talents on their career path? Then we are looking for you as a motivated specialist who can actively help shape the practical training of our apprentices in the field of logistics.

Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Responsibility for the practical training of apprentices in the area of logistics
- Active involvement in 80% of day-to-day business and support in the production environment
- Close collaboration and regular dialogue with the Head of Vocational Training
- Accompanying and supporting the departments relevant to training to ensure practical training
- Continuous optimisation of work processes in terms of efficiency, quality and hygiene

We can only consider applicants who are authorized to work in Switzerland (EU/EFTA).

What you bring with you

- Completed basic training in the field of logistics
- Pedagogical and methodical-didactic skills to accompany learners in a professional and motivating manner
- Enjoy working with young people and passing on specialist knowledge
- Willingness to further develop and actively help shape processes
- Completion of a vocational training course or willingness to complete one
- Good written and spoken German

What we offer

Work-life balance

A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

Catering

Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility

Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
