- Responsibility for projects in the areas of Procurement, Optimisation and Supply Chain Efficiency

## What you bring with you

- Several years of experience in strategic and operational Purchasing - ideally in the food industry
- Completed business management training in Purchasing or relevant studies (food technology, business administration or similar)
- Experience in the management of projects
- Very good knowledge of English (business fluent), knowledge of French at a basic level is an advantage
- Winning, communicative personality that builds trust and has a proven track record of closing deals in negotiations
- Analytics, quality-conscious and with an eye for effectiveness

## What we offer

### Work-life balance

You benefit from 30 days of vacation, a flexible working hours system, and special leave for important personal events such as marriage, the birth of a child, or moving house. In addition, you can arrange your workdays between the office and mobile working.

### Catering

We offer you free water, coffee, and fruit. In addition, there is a free employee breakfast once a month. You can also purchase our high-quality products at greatly reduced prices in our company shop.

### Health

Your well-being is important to us: take advantage of our health management program, regular check-ups with our company doctor, and enjoy an ergonomic and comfortable workspace with adjustable desks!

### Company events

Experience unforgettable moments at our company events – celebrate and socialise together!
