

Operating mechanic

You tackle problems, solve them and keep production running? The Hilcona Taste Factory is the competence centre for vegan products with a future. We are looking for a reliable person who can rectify faults, maintain systems and help with maintenance and repairs. You work pragmatically, think in a sustainable, solution-orientated way and are ready for shift work. Together we will ensure that operations run smoothly.

Hilcona AG

Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Ensuring the operational readiness of our Production and supply systems
- Carrying out maintenance, servicing and repair work with the team and, if necessary, with external partners
- Analysing and rectifying mechanical faults and continuously optimising systems and processes to minimise downtimes
- Collaborating on conversions and technical improvements, including project support

What you bring with you

- Completed apprenticeship as an industrial mechanic or equivalent training EFZ
- Experience in an industrial company is an advantage
- Willingness to work shifts (early and late shifts)
- Willingness to work on call in 3-shift operation
- Written and spoken German
