Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Further development and ongoing updating of the sustainability strategy, taking into account regulatory and economic requirements
- Translating strategic goals into concrete, realisable measures for the specialist departments
- Actively monitoring legislative changes, standards and regulatory developments in the sustainability environment
- Technical monitoring and support of sustainability-related projects, e.g. energy and water efficiency, waste management or reduction of food losses
- Liaising and coordinating with internal and external stakeholders (customers, partners, authorities, certification bodies)
- Organisation, preparation and support of sustainability and customer audits
- Collaboration in the preparation of the sustainability report and processing of customer enquiries, ratings and platforms (e.g. SMETA/SEDEX)
- Representing the Hilcona Group at specialist events, panels and conferences
- Central contact person for all sustainability issues within the company

What you bring with you

- Degree in the field of food/agricultural sciences or sound professional experience in the field of food production or processing
- Additional qualification in Sustainability, Environmental Management or comparable
- Several years of experience in sustainability issues is an advantage, ideally in an industrial or manufacturing environment
- Experience in implementing cross-divisional projects and dealing with different interests
- Structured personality with the ability to realistically prioritise Sustainability and reconcile ecological goals with economic framework conditions
- Solution- and impact-orientated approach with a focus on feasibility and long-term benefits
- Independent working style and assertiveness with a sure instinct
- Strong communication skills, ability to work in a team and a confident, convincing demeanour

What we offer

Work-life balance

We offer 5,5 to 6 weeks' holiday, flexible working hours and predictable assignments (at least three weeks' advance notice). We also offer you the opportunity to buy additional holidays or work part-time. There are no company holidays – you plan your holiday individually with your line manager and team.

Catering

Catering is very important to us: enjoy discounts on your lunch in our break rooms, free fruit and promotions such as free chestnuts, ice cream or smoothies. High-quality products at greatly reduced prices are available in our outlet.

Mobility

Benefit from ideal public transport connections (bus stop in front of Hilcona), attractive ticket subsidies, ample parking for cars, e-bikes and scooters as well as a tool station for bicycle repairs – for sustainable and carefree travelling.

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
