Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Responsibility for all electrical systems and installations within the company
- Maintenance, servicing and troubleshooting of electrical systems and equipment
- Carrying out electrical installations and technical modifications
- Ensuring compliance with electrical standards and safety regulations
- Inspection of equipment and electrical tools
- Initial inspections and recording of work carried out
- Collaboration on technical projects and in cross-disciplinary working groups
- Supporting the further development of the electrical safety concept
- Other duties as directed by the line manager

What you bring with you

- A completed qualification as an automation technician (EFZ), electrical fitter (EFZ), electrical installer (EFZ) or equivalent technical qualification
- At least two years' professional experience in the electrical sector
- Technical understanding and the ability to work independently
- Good command of written and spoken German
- Basic knowledge of SAP, Windows and MS Office would be an advantage
- A responsible, reliable and resilient personality
- Flexibility and a high level of awareness of health and safety and hygiene
- NIV13 authorisation would be an advantage

What we offer

Work-life balance
With us you benefit from at least 25 vacation days. We use an electronic time capture system so that you can reward your overtime with additional days off.

Catering
Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, free soup and fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility
Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities - for sustainable and carefree travelling.

Professional development opportunities
Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities such as mentoring and coaching.
