Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Management and support for team leaders and staff during their shifts
- Responsibility for ensuring production runs smoothly and that production schedules and delivery deadlines are met
- Co-ordinating all production lines and responding swiftly to disruptions or bottlenecks
- Ensuring compliance with quality, hygiene and safety regulations, including documentation
- Organising shift handover and liaising with Production, planning, Quality assurance and technical departments
- Checking that ERP/CSB entries are correct and verifying quantities and stock levels
- Implementing health and safety measures and improvement initiatives, and fostering an open culture of error reporting and continuous improvement

What you bring with you

- Completed vocational training in the food, Production or technical sector
- Several years' professional experience in Production, ideally in the food sector
- Management experience and strong communication skills are essential, ideally in a shift-based environment
- A strong understanding of quality and safety
- A hands-on approach combined with assertiveness and a team-oriented mindset
- A structured, decisive approach to work with a strong sense of responsibility
- Experience of working with ERP systems
- Proficiency in spoken and written German
- Two-shift operation from Monday to Saturday (5-day week)
