Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- As a logistics trainee, you'll be familiar with your company's products and production processes. You'll receive goods, check them and store them in the correct location. You'll monitor and manage stock levels, and you'll
- ensure that our goods are delivered on time.

What you bring with you

- Completed upper secondary education
- Practical understanding and manual dexterity
- Stamina and the ability to concentrate
- Good health and a sociable nature
- Committed, enthusiastic and determined

What we offer

Catering
Catering is very important to us, and the freshly prepared food served in our staff canteen is evidence of this for our employees.

Mobility
Benefit from convenient public transport connections and ample parking facilities as well as cost sharing for the journey to school – for sustainable and carefree travelling.

Health
Your well-being is important to us: Benefit from our health-supporting offers and exclusive employee discounts with the Coop employee discount card and subsidised fitness subscriptions.

Company events
Experience unforgettable moments at our company events and help to strengthen the team spirit at the company's own sports club – celebrate, exercise and socialise together.
