

# ICT System Engineer (focus on Microsoft Server & M365/Exchange)

You don't just want to keep systems running, you want to actively help shape, optimise and take responsibility? Then you've come to the right place: we are a dedicated team with a passion for technology and reliable IT services. Together, we ensure that our infrastructure is stable, secure and future-proof. We are looking for a technically skilled, motivated person with a passion for IT who enjoys working independently but also appreciates real teamwork

## Apply online

You can find all the details online as well as the opportunity to apply directly.

### Your tasks

- Operation, maintenance and further development of our IT infrastructure (Microsoft server landscape, Active Directory and Azure VMs).
- Management and maintenance of the VMware platform and Microsoft 365 services.
- Support and maintenance of mail services (Exchange on Premise / Online) and Microsoft 365 services.
- Administration and maintenance of the VMware platform and the backup environment (Veeam).
- Analysing and rectifying faults and providing first-level support.
- Management of sub-projects and coordination of external service providers.
- Documentation of systems, processes and changes.
- Participation in on-call duty (approx. once a month) and occasional travelling within Europe.

We can only consider applicants who are authorised to work in Switzerland (EU/EFTA). We only consider direct applications.

### What you bring with you

- Completed training in the IT sector (e.g. computer scientist EFZ / IT specialist) as well as in-depth further training in Microsoft (MCSA, MCSD or MCSE).
- Sound knowledge of Microsoft servers, Active Directory, Exchange, Microsoft 365, Azure, VMware, Veeam.
- Practical know-how in the area of PowerShell scripting.
- An independent, responsible and service-oriented way of working with good planning skills.
- An uncomplicated team player who finds simple solutions and is willing to work outside normal working hours.

### What we offer

#### Work-life balance

A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

#### Catering

Culinary delights are very important to us: freshly prepared food in our staff restaurant, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices await you in our outlet.

#### Mobility

Benefit from our contribution to environmentally friendly mobility, convenient public transport connections and a free SBB GA travelcard!

#### Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
