

# Deputy Head of Logistics Centre Late Shift (new building Oensingen)

Are you a leader with a talent for organisation and can maintain an overview even in hectic situations? Do you not only want to manage processes, but also motivate your team and achieve top performance together? Then you've come to the right place. For our new logistics centre in Oensingen, we are looking for a committed person to take on responsibility as Deputy Head of Operations Logistics Centre Late Shift, optimise operational processes and actively support the Head of Operations in his role.

**Bell Schweiz AG**  
Südringstrasse 14  
4702 Oensingen

**Contract type** Permanent  
**Workload** 100%  
**Start of employment** as of now  
**Language** German  
**Working time model** Late shift

## Do you have any questions?

**Samuel Koch**  
Head of HR Logistics  
+41 58 326 5383

## Apply online

You can find all the details online as well as the opportunity to apply directly.

### Your tasks

- Managing and coordinating the late shift and ensuring smooth operations
- Acting as a point of contact for internal and external partners during the shift
- Optimising workflows and processes in terms of efficiency, personnel development, quality and hygiene
- Processing and escalating disruptions, deviations and operational challenges
- Documenting relevant shift key figures, incidents and handover information
- Ensuring the flow of information between the late shift, night shift and day shift as well as neighbouring areas
- Collaborating on projects and actively contributing improvement and optimisation measures
- Further developing TopX (lean management programme) and driving continuous improvement processes in the company
- Ensuring and taking responsibility for compliance with labour, safety, order and cleanliness standards
- Supporting the Head of Operations in operational and personnel management and deputising for him in his absence

### What you bring with you

- Completed vocational training, ideally in the field of technology, food or logistics
- Completed further training in logistics
- Experience in the food industry as well as good product and logistics knowledge
- Management experience in a comparable function
- Very good knowledge of MS Office and experience with SAP
- Very good written and spoken German and a good command of English
- You are assertive, resilient and flexible
- Networked thinking and a good understanding of production and logistics processes and their interrelationships
- Flair for technology, digitalisation and automation

### What we offer

#### Work-life balance

A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

#### Catering

Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

#### Mobility

Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

#### Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
