## Apply online

You can find all the details online as well as the opportunity to apply directly.

### Your tasks

- Reviewing, approving, recording and maintaining specifications for raw materials and traded goods
- Food law compliance checks on printed materials
- Drawing up product specifications and declarations, taking into account food law requirements
- (CH and EU)
- Advising our sales departments on food law matters
- Responding to technical customer enquiries
- Collaboration on cross-site (international) projects
- Managing product labels

We can only consider applicants who are authorised to work in Switzerland (EU/EFTA). We only consider direct applications.

### What you bring with you

- A degree in Food Technology from a university of applied sciences (FH) or an equivalent qualification, with experience in
- Quality management/food law
- Languages: German, English
- A flair for various IT applications and administration
- Strong focus on quality
- Ability to work under pressure and assertiveness
- Experience in food law and knowledge of raw materials would be an advantage

### What we offer

#### Work-life balance

We offer a 40-hour workweek and at least 25 days of annual leave.

#### Catering

Catering is very important to us, and the freshly prepared food served in our staff canteen is evidence of this for our employees.

#### Mobility

Benefit from convenient public transport connections and ample parking facilities – for sustainable and carefree travelling.

#### Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities such as mentoring and coaching.
