Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Technical and managerial management of a team currently comprising 3 staff members
- Responsibility for the procurement of indirect spend (machinery, capital goods, services, spare parts, consumables)
- Management and implementation of capital projects in close collaboration with the Engineering and Production departments
- Ensuring efficient and sustainable procurement processes
- Negotiating and finalising supplier contracts at national and international level
- Analysing markets, technologies and cost structures to optimise the procurement strategy
- Further development of processes and active involvement in shaping the procurement organisation

What you bring with you

- Basic training in engineering or food technology, supplemented by further training in business administration specialising in Purchasing or a degree (e.g. mechanical engineering / food technology)
- Several years' solid experience in technical Purchasing, ideally in the food or plant engineering industry
- Experience in leading or participating in capital expenditure projects
- Initial management experience or proven leadership potential
- Very good command of German and business-level English
- An analytical approach, strong negotiation skills and excellent communication skills are just as much a part of who you are as your team-oriented mindset

What we offer

Work-life balance

We offer 5,5 to 6 weeks' holiday, flexible working hours and special leave for important events. Organise your days to work in the office or remotely, buy holidays or work part-time for more free time. There are no company holidays – you plan your holiday flexibly with your line manager.

Catering

Catering is very important to us: Enjoy discounts on your lunch in our staff canteen, free fruit and promotions such as free chestnuts, ice cream or smoothies. High-quality products at greatly reduced prices are available in our outlet.

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.

Health

Your well-being matters to us: Benefit from our health management, company doctor, rewards for reliability, exclusive employee discounts in Liechtenstein, Switzerland and Vorarlberg, as well as subsidized fitness subscriptions—for health and leisure fun!
