

Demand Planner

In our dynamic environment, you'll be able to make full use of your analytics skills, taking charge of forward-looking sales planning for our product ranges across various sales channels, right through to forecasting demand for our ultra-fresh products on a daily basis. The focus of your role is on striking the optimal balance between customer satisfaction and minimising food waste. To achieve this, you'll work closely with our sales and supply chain teams.

Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Creating, reviewing and adjusting the rolling demand forecast for a defined segment
- Planning and monitoring promotional, seasonal and event volumes using the forecasting system
- Planning of input and output evaluations
- Evaluating and analysing KPIs
- Proactively driving forward measures of sustainability and digital optimisation in the area of sales planning and forecasting
- Taking on individual task packages within the S&OP process and supporting projects

What you bring with you

- A commercial and technical or business management background with substantial professional experience in demand forecasting and/or production planning
- Knowledge of ERP or planning systems and a good understanding of the end-to-end supply chain process
- With your analytics skills and keen attention to detail, you love analysing data
- Thanks to your strong problem-solving skills, you proactively engage with your internal and external contacts to work towards shared goals
- You find further development in the field of S&OP – particularly with the increased use of AI – exciting
- Knowledge of French would be an advantage

What we offer

Work-life balance

We offer 5,5 to 6 weeks' holiday, flexible working hours and predictable assignments (at least three weeks' advance notice). We also offer you the opportunity to buy additional holidays or work part-time. There are no company holidays – you plan your holiday individually with your line manager and team.

Catering

Catering is very important to us: enjoy discounts on your lunch in our break rooms, free fruit and promotions such as free chestnuts, ice cream or smoothies. High-quality products at greatly reduced prices are available in our outlet.

Mobility

Benefit from ideal public transport connections (bus stop in front of Hilcona), attractive ticket subsidies, ample parking for cars, e-bikes and scooters as well as a tool station for bicycle repairs – for sustainable and carefree travelling.

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
