## Apply online

You can find all the details online as well as the opportunity to apply directly.

### Your tasks

- Management of the Conveyor Technology Maintenance Team, including shift and absence planning, training and technical guidance
- Maintenance, servicing and fault rectification on technical equipment
- Carrying out technical inspections relating to health and safety at work
- Sharing responsibility for reducing downtime and stoppages
- Ensuring the procurement and availability of spare parts
- Organising and coordinating external suppliers and fitters
- Responsibility for comprehensive documentation and the management of work orders and feedback via our maintenance programme

We can only consider applicants who are authorized to work in Switzerland (EU/EFTA).

### What you bring with you

- Completed basic technical training
- Management experience in a similar role
- Assertiveness, a solution-oriented approach and the ability to work well under pressure
- Strong organisational skills, a team-oriented and proactive personality
- No aversion to blood, strong odours or heights (up to 25 metres)
- Good knowledge of MS Office programmes; knowledge of SAP would be an advantage
- Very good command of written and spoken German

### What we offer

#### Work-life balance

A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

#### Catering

Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

#### Mobility

Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

#### Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
