Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- **Strategy & Infrastructure:** Developing the Group-wide AI strategy, roadmap and vision, and establishing a suitable AI infrastructure
- **Use Case Management:** Identification, evaluation and prioritisation of relevant AI use cases in collaboration with the business units
- **Business Cases:** Preparation of well-founded cost-benefit analyses and decision-making support for senior management
- **System Integration:** Technical and economic evaluation, selection and integration of suitable AI solutions into existing ERP/SAP systems
- **Governance & Compliance:** Ensuring the responsible and secure use of AI in line with regulatory requirements
- **Culture & Change Management:** Building a sustainable AI culture, establishing internal communities and providing targeted coaching for teams

We can only consider applicants who are authorised to work in Switzerland (EU/EFTA). We only consider direct applications.

What you bring with you

- **Education:** A degree in Business Informatics or an equivalent qualification at the interface between business and IT
- **Professional experience:** Substantial practical experience in digitalisation, as well as in process and project management at the interface between business and IT
- **AI expertise:** In-depth understanding of modern AI models and tools, as well as experience in developing AI strategies and architectures
- **Entrepreneurial mindset:** Strong focus on results, with the ability to translate AI use cases into measurable business benefits (ROI)
- **Communication:** Strong facilitation and coaching skills to successfully act as a bridge-builder between business units, IT and management
- **Mindset:** A strong sense of responsibility for governance, coupled with a pragmatic, action-oriented 'doer' mentality

What we offer

Work-life balance

A healthy work-life balance is important to us. You benefit from at least 25 vacation days as well as transparent electronic time tracking. This allows you to flexibly compensate any overtime with additional time off.

Catering

Culinary delights are very important to us: freshly prepared food in our staff restaurant, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices await you in our outlet.

Mobility

Benefit from our contribution to environmentally friendly mobility, convenient public transport connections and a free SBB GA travelcard!

Professional development opportunities

Expand your knowledge with extensive training programmes, high-quality courses at the Coop Training Centre and a wide range of personal development opportunities.
