Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- The focus on Business Administration and Computer Science complements each other perfectly – you'll help drive digitalisation forward, for example by developing and optimising existing and new business models
- You'll analyse data – from big data to business intelligence.
- You'll optimise HR processes across various business areas
- Tuition takes place on a rotating basis. This means three months of theoretical study at the DHBW Lörrach followed by three months of practical training directly with us.
- With this degree programme and your Bachelor of Arts, you'll qualify for a role of responsibility across all sectors of the economy, right up to a management position.

What you bring with you

- Matur/Abitur or general university entrance qualification, or a qualification for entry to a university of applied sciences, together with the DHBW Lörrach aptitude test
- Ability to think abstractly, as well as analytical and logical thinking
- Ability to concentrate and a meticulous approach to work

What we offer

Work-life balance

We offer 35 vacation days so that you have enough time to recover and are then fit for work and school again.

Catering

Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility

Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities

We cover the cost of your school supplies and contribute CHF 700 towards a laptop of your choice. We'll also offer you exciting career prospects in an international environment once you've completed your training, and you'll be able to develop your skills further through training courses at the Coop Training Centre.
