Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Supporting the Head of Engineering in the management and organisation of the technical department
- Acting as deputy manager, as well as fostering and developing the team
- Planning, coordinating and supervising maintenance, servicing and repair work
- Ensuring the technical availability and optimisation of plant, machinery and infrastructure
- Collaborating on technical projects and assisting with budget and resource planning
- Coordinating external partners and ensuring compliance with safety, quality and environmental standards

What you bring with you

- Completed technical training with relevant further qualifications (e.g. technician, master craftsman/woman, engineer or equivalent)
- Several years' professional experience in a technical field, ideally with some management experience
- Willingness to take on responsibility and support a team
- A structured, independent and solution-oriented approach to work
- Strong communication and organisational skills
- Good knowledge of MS Office and a good command of written and spoken German

What we offer

Catering

Catering is very important to us: you can enjoy freshly prepared food as well as high-quality products at greatly reduced prices in our canteen and at 'Hubers Genusswelt'.

Mobility

For those who prefer to travel by car, we offer ample parking spaces and/or our own multi-storey car park.
