

Apprenticeship as a Plant Operator (EFZ) 2027

Your future? It's on track with us! Bell is one of Switzerland's leading food brands. At our site, we process poultry. During your apprenticeship in Zell LU, you'll learn how different products are packaged. You'll also see how the processes in the Packing Department work. If you choose to train as a plant operator (EFZ) with us, you'll be making a great choice. With our support, you'll take your first steps into working life and become part of the Bell apprentice community.

Bell Schweiz AG

Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- You will ensure that production runs smoothly in various areas of the Packing department
- You will operate and monitor state-of-the-art production and packaging machinery
- You will be responsible for setting up and controlling production machinery, as well as monitoring the machinery during the manufacturing and packaging process
- You carry out mechanical maintenance work independently

What you bring with you

- Completed primary school
- Good physical fitness
- Technical understanding

What we offer

Work-life balance
We offer 35 vacation days so that you have enough time to recover and are then fit for work and school again.

Catering
Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility
Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities
We cover the costs of tuition fees and study materials, and contribute CHF 700 towards a laptop of your choice. We also offer you exciting prospects for continued employment in an international environment once you have completed your studies.
