

Food Industry Practitioner (EBA) 2027, specialising in convenience foods

Bell is one of Switzerland's leading food brands. At our site, we process poultry. During your apprenticeship in Zell, Lucerne, you'll not only learn how our chicken nuggets are manufactured, but also how the processes in the Convenience department work. If you choose to train as a food technologist (EFZ) with us, you'll be making a great choice. With our support, you'll take your first steps into working life and become part of the Bell apprentice community.

Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- You process raw materials according to specified recipes
- You operate the processing and packaging machinery
- You check the quality of the products
- During the production process, you check the foodstuffs for quality, appearance, smell, taste and Packing
- Once you have successfully completed the programme, you can undertake an accelerated basic training course to become a Food Technologist (EFZ 2025)

What you bring with you

- Completed primary school
- An interest in biology, chemistry and physics
- Enjoyment of working with food and modern production facilities
- A keen sense of smell and taste, and a meticulous approach to work
- Willingness to start work early (around 5.00 am)

What we offer

Work-life balance

We offer 35 vacation days so that you have enough time to recover and are then fit for work and school again.

Catering

Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility

Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-storey car park.

Professional development opportunities

We cover the cost of your school supplies and contribute CHF 700 towards a laptop of your choice. We'll also offer you exciting career prospects in an international environment once you've completed your training, and you'll be able to develop your skills further through training courses at the Coop Training Centre.
