Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Explore different production areas and learn about the industrial processing of salads, vegetables and fruit.
- Plan and monitor the entire production process and independently resolve any faults that arise.
- Work with state-of-the-art technology and operate large machines.
- Ensure the quality of our products – from the raw materials to the finished product .

What you bring with you

- A secondary school leaving certificate (level A) or an equivalent qualification.
- An interest in biology, chemistry and physics – and good marks in these subjects.
- A passion for working with food and a good understanding of technical matters.
- Physical stamina and manual dexterity.
- Team spirit, commitment and motivation.
- Curiosity and a desire to learn new things and develop your skills.
- A passion for fresh produce and salad.

What we offer

Catering
Culinary delights are very important to us: Freshly prepared salads, soups, tea and fruit are available to our employees free of charge. You can also take home products from the staff shelf every day.

Mobility
Benefit from convenient public transport connections, attractive discounts for public transport and ample parking facilities - sustainable and carefree on the road!

Benefits & discounts
You benefit from the Coop staff discount card with a wide range of discounts in retail outlets, speciality shops and supermarkets as well as other attractive services, such as insurance.
