

# Apprenticeship as a farmer (EFZ) in poultry farming

Your future? It's on track with us! As a poultry farmer (EFZ) at Bell Switzerland in the Poultry division, you'll look after parent stock, hatching eggs, hens and broilers on a daily basis. You'll feed the animals, ensure a good house climate and look after their health and wellbeing. You'll also monitor the hatching eggs, keep the houses clean and help to ensure well-organised operational processes. In this way, you'll make an important contribution to responsible and sustainable food production. With our constant support, you'll take your first steps into working life and become part of the Bell apprentices' community.

**Bell Schweiz AG**
Zelgmatte 1
6144 Zell

### Apply online

You can find all the details online as well as the opportunity to apply directly.

### Your tasks

- You will look after our breeding flocks, monitor their health and ensure they are well cared for.
- You will be responsible for the careful collection and quality control of hatching eggs
- You'll actively support the team with key tasks such as vaccinations or moving birds to new pens
- You will be directly involved in the hatching process in our hatchery and monitor the chicks' development

### What you bring with you

- Currently training as a farmer (EFZ) and interested in specialising in poultry farming
- Physical fitness and resilience
- High level of self-motivation for the training programme
- Enjoyment of working with animals and an interest in technology
- An independent, reliable and responsible approach to work

### What we offer

**Work-life balance**
We offer 35 vacation days so that you have enough time to recover and are then fit for work and school again.

**Catering**
Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

**Mobility**
Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-s-torey car park.

**Professional development opportunities**
We cover the costs of tuition fees and study materials, and contribute CHF 700 towards a laptop of your choice. We also offer you exciting prospects for continued employment in an international environment once you have completed your studies.
