

Apprenticeship as a Meat Assistant (EBA) 2027

Bell is one of Switzerland's leading food brands. From meat, poultry and charcuterie to seafood and ready meals, our long-established brand stands for a diverse range of top-quality products. If you choose to do an apprenticeship as a meat specialist assistant (EBA) at Bell, you'll be making a great choice. With our constant support, you'll take your first steps into working life and become part of the Bell apprentices' community.

Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- During your highly practical training, you will learn how to properly debone and trim individual cuts of beef, veal and pork. You will cut the cuts of meat to order, perform packing and store them. Alternatively, you will process them into charcuterie products. In addition, you will set up the machines and configure the programmes. Finally, you will support your team in a range of other production processes.
- Once you have successfully completed the programme, you can undertake an accelerated basic training course to become a meat specialist (EFZ).

What you bring with you

- Completion of compulsory schooling, meeting the basic requirements
- A keen interest in working with food and a meticulous approach to work
- Physical fitness and manual dexterity

What we offer

Work-life balance
We offer 35 vacation days so that you have enough time to recover and are then fit for work and school again.

Catering
Catering is very important to us: you can enjoy freshly prepared food in our staff canteen, a lunch menu including soup and salad, water & tea and free fruit as well as high-quality products at greatly reduced prices in our outlet.

Mobility
Benefit from convenient public transport connections, attractive ticket subsidies and ample parking facilities in the multi-s-torey car park.

Professional development opportunities
We cover the costs of tuition fees and study materials, and contribute CHF 700 towards a laptop of your choice. We also offer you exciting prospects for continued employment in an international environment once you have completed your studies.
