

ICT Specialist (FZ)

Digital solutions, technology and people – bring it all together in your ICT apprenticeship! Are you interested in computers, networks and digital solutions? Do you enjoy helping others and want to do more than just Google technical problems – you want to really understand and solve them? Then an ICT Specialist (FZ) apprenticeship at Hilcona offers you an exciting introduction to the digital world of work. During your three-year apprenticeship, you'll learn how to set up ICT workstations, support users and analyse technical faults. In doing so, you'll combine your technical interest with strong communication skills and a solution-oriented approach.

What we offer

Work-life balance

We offer at least 5 weeks' holiday plus 15 paid public holidays and up to 6 optional bonus days. We have no company holidays at Hilcona. You organise your days off with your line manager and apprentice-supervisor.

Catering

Catering is very important to us: Special discounts for our trainees on lunch in our staff canteen, free fruit and promotions such as free chestnuts, ice cream or smoothies. High-quality products at greatly reduced prices are available in our outlet.

Mobility

Benefit from convenient public transport connections (bus stop in front of Hilcona), attractive ticket subsidies, ample parking for cars, e-bikes and scooters, as well as a tool station for bicycle repairs – for sustainable and carefree travelling. We will also cover your costs for travelling to the vocational school.

Professional development opportunities

Hilcona will bear your training costs. You will receive a grant of CHF 300 for your own laptop. After your successful apprenticeship, you can expect great career opportunities and development prospects at Hilcona. And if you achieve a grade of 5.0 or higher in your final apprenticeship examination, you will receive an additional bonus at the Schaan site.
