

Automation Engineer (FZ)

Technology, machinery and clever solutions – your future starts at Hilcona! Are you interested in technology, electronics and automated systems? Would you like to know how modern production facilities work and play a part in ensuring they run reliably? Then an apprenticeship as an automation technician (FZ) at Hilcona is just the thing for you. During your four-year apprenticeship, you'll learn to build, programme, assemble and maintain electrical and electronic systems. You'll combine manual skills with technical knowledge and work on exciting solutions for modern food production.

- You enjoy working as part of a team and persevere even when faced with challenges
- You enjoy maths and science subjects
- You have achieved a good qualification from the FL Realschule / CH secondary school

What we offer

Work-life balance

We offer at least 5 weeks' holiday plus 15 paid public holidays and up to 6 optional bonus days. We have no company holidays at Hilcona. You organise your days off with your line manager and apprenticeship supervisor.

Catering

Catering is very important to us: Special discounts for our trainees on lunch in our staff canteen, free fruit and promotions such as free chestnuts, ice cream or smoothies. High-quality products at greatly reduced prices are available in our outlet.

Mobility

Benefit from convenient public transport connections (bus stop in front of Hilcona), attractive ticket subsidies, ample parking for cars, e-bikes and scooters, as well as a tool station for bicycle repairs – for sustainable and carefree travelling. We will also cover your costs for travelling to the vocational school.

Professional development opportunities

Hilcona will bear your training costs. You will receive a grant of CHF 300 for your own laptop. After your successful apprenticeship, you can expect great career opportunities and development prospects at Hilcona. And if you achieve a grade of 5.0 or higher in your final apprenticeship examination, you will receive an additional bonus at the Schaan site.
