

Apprenticeship as a food technologist (FZ)

Manufacturing food, designing processes and ensuring quality! Are you interested in how food is manufactured? Would you like to combine science with hands-on work? As a Food Technologist (FZ), you'll learn how safe, high-quality and tasty products are made from carefully selected raw materials. During your three-year apprenticeship, you'll gain fascinating insights into food production. You'll work with modern equipment, monitor production processes and learn how quality, hygiene and efficiency all work together.

- You are curious and keen to learn about different areas of production
- You enjoy working as part of a team
- You have a good school-leaving certificate from an FL-Oberschule or CH-Realschule

What we offer

Work-life balance
We offer at least 5 weeks' holiday plus 15 paid public holidays and up to 6 optional bonus days. We have no company holidays at Hilcona. You organise your days off with your line manager and apprenticeship supervisor.

Catering
Catering is very important to us: Special discounts for our trainees on lunch in our staff canteen, free fruit and promotions such as free chestnuts, ice cream or smoothies. High-quality products at greatly reduced prices are available in our outlet.

Mobility
Benefit from convenient public transport connections (bus stop in front of Hilcona), attractive ticket subsidies, ample parking for cars, e-bikes and scooters, as well as a tool station for bicycle repairs – for sustainable and carefree travelling. We will also cover your costs for travelling to the vocational school.

Professional development opportunities
Hilcona will bear your training costs. You will receive a grant of CHF 300 for your own laptop. After your successful apprenticeship, you can expect great career opportunities and development prospects at Hilcona. And if you achieve a grade of 5.0 or higher in your final apprenticeship examination, you will receive an additional bonus at the Schaan site.
