

Logistics Specialist

Do you want to do more than just move goods in logistics? At the Hilcona Taste Factory, you'll be responsible for ensuring a smooth flow of goods and making sure our products can be manufactured on schedule. You can expect a varied working environment where independent working, initiative and new ideas are valued. If you thrive on challenges, want to play an active role in shaping processes and enjoy taking on responsibility, you've come to the right place.

Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- Ensuring a smooth flow of materials through order picking, storage and the timely provision of goods for Production and packaging.
- Carrying out general logistics tasks, including warehouse management, processing returns and assisting with stock-takes.
- Responsibility for order, cleanliness and safety in the warehouse areas and outdoor areas.
- Compliance with and enforcement of quality, process and hygiene guidelines (QM/GHP), as well as reporting quality and stock discrepancies.
- Supporting the training of logistics apprentices and working closely with related departments to optimise logistics processes.

What you bring with you

- What you'll bring to the role
- Training and professional experience in logistics, ideally in a manufacturing environment
- Proficiency in warehouse processes and material flows
- High standards of quality and safety awareness
- A structured, reliable and independent approach to work, with a hands-on attitude
- IT-savvy, particularly with ERP systems and MS Office
