Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- you will become familiar with our network architecture
- distinguish between operating systems and their areas of application
- apply programming logic and methods
- provide information and advice to internal clients and document application solutions tailored to client needs
- integrate hardware and software components into existing systems and commission them
- Set up user interfaces and dialogues
- Gain an overview of the entire organisation
- The training programme starts on 1 September 2027
- The training programme is organised according to a structured training plan covering all relevant Departments
- The designated vocational school is the Zeppelin Vocational School in Konstanz
- The apprenticeship lasts 3 years

What you bring with you

- At the start of the training programme, you will have successfully completed your Mittlere Reife or Fachhochschulreife, or your Abitur, with good marks in the core subjects
- You are interested in everything to do with hardware and software and possess technical and analytical thinking skills, as well as, ideally, some prior knowledge
- You have a good command of English
- You have a very good command of German – at least C1 level
- You take a goal-oriented, systematic and precise approach to your work
- You are highly committed, reliable and able to work independently
- You stand out for your ability to work in a team, your sense of responsibility and your attention to detail

What we offer

Work-life balance
More than 30 days off per year and flexible working hours on a 4.5 day week mean you can start the weekend early.

Mobility
Thanks to our travel allowance, good public transport connections and plenty of parking spaces for cars and bicycles, our employees can travel easily.

Professional development opportunities
The highlight is the period spent working abroad, and you can also expect regular meetings with short training sessions, independent projects and a job guarantee (at least six months).

Health
All employees have the opportunity to take advantage of sports, leisure and wellness programmes throughout Germany with HANSEFIT.
