Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- receive all kinds of goods and check their quantity and condition against the accompanying documents
- organise the unloading of goods such as food raw materials or packaging materials, sort them and store them appropriately in pre-allocated locations
- ensure that the goods are stored under optimal conditions and, for example, regulate temperature and humidity
- prepare deliveries, perform packing and draw up accompanying documents such as delivery notes or customs declarations
- Load lorries, operate forklift trucks and secure the cargo to prevent it from shifting
- Optimise the internal flow of information and materials from Procurement through to sales
- The training programme starts on 1 September 2027
- The training programme is organised through a structured training plan covering all relevant Departments
- The designated vocational school is the Radolfzell Vocational Training Centre
- The training programme to become a warehouse logistics specialist lasts 3 years
- The training programme to become a Warehouse Clerk* lasts 2 years

What you bring with you

- At the start of the apprenticeship, you will have a good secondary school leaving certificate or a Mittlere Reife qualification with good marks in the core subjects
- An interest in logistics and business management processes
- Commitment and reliability, as well as attention to detail and accuracy
- Enjoy working with people
- The ability to work independently and take responsibility

What we offer

Work-life balance
More than 30 days off per year and flexible working hours on a 4.5 day week mean you can start the weekend early.

Mobility
Thanks to our travel allowance, good public transport connections and plenty of parking spaces for cars and bicycles, our employees can travel easily.

Professional development opportunities
The highlight is the period spent working abroad, and you can also expect regular meetings with short training sessions, independent projects and a job guarantee (at least six months).

Health
All employees have the opportunity to take advantage of sports, leisure and wellness programmes throughout Germany with HANSEFIT.
