Apply online

You can find all the details online as well as the opportunity to apply directly.

Your tasks

- work with our Procurement team to organise the purchasing of raw materials and packaging materials
- get to know our sales divisions, including their marketing departments
- gain experience in our finance and accounting and human resources departments
- work across the various areas of our group-wide IT organisation
- support our Development and Quality Assurance departments
- Gain insights into our order planning as well as our Production and logistics processes
- consolidate the practical knowledge you've gained through theoretical modules at the Dual University
- The programme starts on 1 October 2027 – before the programme begins, you'll complete a one-month paid pre-study placement at Hügli, giving you a taste of what it's like to work at Hügli
- A well-organised course structure through a structured training programme across all relevant Departments
- Theory modules at the university alternate every three months with practical placements at our company
- The university responsible is the Baden-Württemberg Cooperative State University / Villingen-Schwenningen
- The programme lasts 3 years
- You will graduate with a 'Bachelor of Arts' (B.A.) degree

What you bring with you

- At the start of your degree, you hold a general or subject-specific university entrance qualification with good grades in the core subjects
- You are interested in business management
- You enjoy mathematics and have a sound command of English
- You demonstrate a high level of commitment, initiative, perseverance and the ability to work independently
- You are able to cope well under pressure and are flexible
- You make a positive impression with your pleasant manner

What we offer

Work-life balance

More than 30 days off per year and flexible working hours on a 4.5 day week mean you can start the weekend early.

Mobility

Thanks to our travel allowance, good public transport connections and plenty of parking spaces for cars and bicycles, our employees can travel easily.

Professional development opportunities

The highlight is the period spent working abroad, and you can also expect regular meetings with short training sessions, independent projects and a job guarantee (at least six months).

Health

All employees have the opportunity to take advantage of sports, leisure and wellness programmes throughout Germany with HANSEFIT.
